5. Discussion and action to give notice to PACT and move forward with the option of 7710 for Worker's Comp provider*

Mrs. Tina Petersen is our Insurance Broker, and she stated that we have currently been with PACT for your workers' comp and another company entered the state of Nevada about 7 years ago, and their name is 7710. She added that they are firefighters that underwrite the workers' comp., and they are specifically only for firefighters. She stated that they have been doing business with them since they came to Nevada. They are all over Arizona and have fabulous records. Mrs. Petersen stated that Truckee Meadows Fire was the first to try out 7710. She stated that PACT is part of a pulling resource and they are not protected by the federal government, and 7710 is. She stated that 7710 is designed by current and former firefighters, exclusively serving fire and EMS agencies nationwide. 7710 Insurance is a specialty workers' comp. insurance company that has over 100 years in the insurance industry. They are not new; they are just new to Nevada.

She added that they have seen great success with a couple of the fire departments that have joined 7710; they have an amazing track record, and the rates are incredible.

Mrs. Petersen stated that with PACT, they require that, pursuant to their article 22, section 2, of the NPAIP Inter Local Agreement with North Lyon County Fire Protection District, you have to give a notice of intent to withdraw 120 days prior to effective. She explained that for a 7-1 effective, she is asking the Board if it would be okay to pursue getting an actual proposal and quote from 7710. Turning in this letter to PACT gives us the opportunity to not be required to renew with them on 7-1. However, going with 7710, and we are unhappy with what they

North Lyon County Fire Protection District

Fernley, Nevada 89408
District Office (775) 575-3310 District Fax (775) 575-3310

provide for us, anytime in May, before June 2025, we can withdraw the letter and request an actual continuation renewal from PACT. Without this letter, we cannot move again until the next cycle on February 1, 2026, for July 1. Mrs. Petersen stated that she has taken the last 4 years of payroll against the rates that PACT has offered us, and she got an indication from 7710 just on a cost basis. She explained that there are perks to being with Pool and PACT. They offer HR resources and grant opportunities. She added that by getting the quote from 7710, we can have that fine line of what programs we are not going to get by leaving PACT. She added that LP Insurance has the ability to service and add those components if we lose anything. The indication came at a 40% decrease in the overall cost of the workers' compensation. Mrs. Petersen asked the Board if they would be willing to have the Chief sign the letter of withdrawal for PACT and to move forward with getting a formal proposal with 7710?

Chief Bunn shared that he had to use 7710 two times for shoulder injuries. He added that Central Lyon and East Fork are also on 7710, and they wish they would've done this 5 years sooner. Mrs. Petersen explained that POOL is the general liability, property, and auto coverage. PACT is just the workers' comp. We would still have POOL, but the PACT side of it would go to 7710. Mrs. Petersen explained that HR is under POOL or PACT, and you will get HR services as long as you have one foot in the gate. She stated that moving forward with 7710, she will get the list of what is PACT and what is POOL. She added that when she brings the formal proposal to the Board, they can decide what they need and what they don't need, so they can see what that looks like to provide that service. Mrs. Peterson added that once everything is finalized, she will bring it back to the Board and give the option for rates.

Director Toombs made a motion to direct Chief Bunn to sign the notice of intent to PACT to potentially move forward with the 7710 for workers' compensation.

Director Skinner seconded the motion.

7. Discussion and action to approve Fire Board S.O.P.s*

Chairman Toombs stated that we started this last month and had major substantial changes to most of them. Director Roemer added that she was going to add some word searches for references and talk to someone about what we want changed on that. Director Skinner asked if the Best Practice Committee was the same as the Blue-Ribbon Committee, and Chief Bunn responded no. He explained that the Best Practice Committee writes, reviews, and publishes policies, procedures, and guidelines. All Board members discussed and agreed to table #7 until next month's meeting and bring it back before the Board to give additional time for administrative work.

8. Discussion and action to approve an add-on staffing module with First Due*

Chief Bunn shared that we are currently using a program called Aladtec, and it is very limited in it's abilities. We currently pay \$6,300.00 per year for that program for staffing. He added that First Due Software offers a staffing program, and Captain Snyder did the demo with Chief Bunn, and it is expandable and user-friendly. He stated that they are working on a new update that will be out this year. He added that they got a sneak peek at a fully automated system and that our Battalion Chiefs need to visually check it, and it basically will run itself. Chief Bunn added that it is \$850.00 cheaper to go with First Due, and it will also provide payroll reports directly to Kasey. Director Skinner asked if any training was included in the program, and Chief Bunn responded that with this module, their Personnel Time Specialists will be working with us in building the module.

Director Skinner made a motion to approve the add-on staffing module with First Due.

Director Toombs seconded the motion.

9. Discussion and action to approve a Memorandum of Understanding, 25-01, between North Lyon Fire and IAFF Local 4547*

Chief Bunn explained that this MOU for Article 19, which is Minimum Constant Safety Staffing. As the Chief, he is trying to get control of the finances and out of the situation that we are in. We had to stop paying what we were paying. Due to the contract, we were having 1 to 2 overtime shifts a day, and an overtime roughly costs \$900.00 per shift. After the meeting, he stated that he had put out an Administrative Directive and changed the staffing, which prompted Labor to file a grievance, which was appropriate. Chief Bunn added that that allowed them to

Fernley, Nevada 89408
District Office (775) 575-3310 District Fax (775) 575-3310

come in with their grievance committee, have a conversation, and came up with a resolution, which is the MOU that is attached to this. He added that this is the same thing that was presented to Labor before the last month. He stated that the minimum staffing levels will be a total of 5 people per day at a minimum. Chief Bunn explained that right now, one shift has 6, one shift has 5, and the other has 6. The shift that has 5 people, if one person calls in sick, we will have to fill it. With the other shifts, we won't have to fill it unless it is a captain or a qualification piece. This is going to reduce the expenses that we are paying out with the overtime. Chief Bunn added that when funding allows, we will increase the staffing and get back to normal staffing.

Director Skinner made a motion to approve the Memorandum of Understanding, 25-01, between North Lyon Firefighters Association Local 4547 and North Lyon Fire.

Director Roemer seconded the motion.

The motion reads as follows: 3-0-2

10. Discussion and action to approve a Memorandum of Understanding, 25-02, between North Lyon Fire and IAFF Local 4547*

Chief Bunn stated that he put out an Administrative Directive that we are freezing any payouts upon separation of employment because we cannot afford it. We worked with finance on what we could afford to pay upon separation, and we agreed to \$500.00 a pay period for sick leave and \$500.00 a pay period for vacation. He added that if we owe money and we don't have the lump sum, and it is small, we might be able to pay it. For some, that is nearly \$100,00.00, and we cannot exert that. Chief Bunn stated that we would revisit finances monthly, and when we get caught up, we will be able to start creating a fund for these liabilities.

Chairman Toombs made a motion to approve the Memorandum of Understanding, 25-02, between North Lyon Firefighters Association Local 4547 and North Lyon Fire.

Director Skinner seconded the motion.

11. Fire Chief Report

Chief Bunn stated that the audit wasn't great but showed improvement, and he is pleased with that. He added that we continue to collaborate with Lyon County Emergency Management, the Sheriff's Office, Lyon County Dispatch Supervisor, and all Fire Administration. He stated that the CAD to CAD link has been troublesome but we are working through it. He spoke with the state of Nevada today, and he is getting a pathway put through into the state server. It will go from the Lyon County server to the state server and then back to us. He added that Lyon County refuses to provide access for us. He added that one of the modules is still a work in progress, but we will get through it.

Chief Bunn added a draft of the letter explaining what the Blue-Ribbon Committee is. He stated that he would like 2 from Labor and 2 from the Board to be on the committee.

12. Reports of Directors, Fire Marshal, Staff, Volunteers, Local 4547, City of Fernley

Director Skinner appreciates the reports being in to see the activity and what is going on.

Director Roemer is glad to be part of the Board and is excited for what is to come.

Chairman Toombs wanted to thank Chief Bunn and Labor for collaborating positively to get us to these 2 MOUs tonight. It shows significant improvement in the relationship inside the walls of the house here.

Tim Myers has an update for our sprinkler system, and he shared that we found the drawing for this building. Western States are trying to figure out all the calculations so they can make sure that they can line the 6-inch pipe with the 4-inch pipe to the main. Mr. Myers added that out at Station 62, while being remodeled, the captain's bedroom does not have a sprinkler head. We got a quote from Western States for \$3,745.00 to add a sprinkler head, and the fire department connection out there is bent. They are going to hydro that, flush it, and make sure it doesn't leak, do the sprinkler head, hydro test the system and put it back in service.

Local 4547- Bill Snyder added that everything is going well as far as everybody working together. He added that President Joe Mendoza wanted to invite the Board to any of the Union meetings and that the next meeting is on March 4th at 8:30 a.m. at Station 61. He also added that the Fundraiser event with Black Bear Diner is coming up on either the 2nd or 3rd week in March. We do not have a date yet, but as soon as we do we will get that information out.

THIS AGREEMENT is made and entered into this ~~14th~~ 14th day of April, ~~2024~~ 2025, by and between the NORTH LYON COUNTY FIRE PROTECTION DISTRICT ("DISTRICT"), an independent self-taxing NRS 474 District formed under the laws of the State of Nevada, and BRIAN BUNN ("EMPLOYEE"), both of whom agree as follows:

RECITALS

WHEREAS, the DISTRICT elects a Board of Fire Directors, who is empowered to appoint certain employees of the DISTRICT;

WHEREAS, the North Lyon County Fire Protection District Board of Directors is empowered to approve contracts between the DISTRICT and other persons;

WHEREAS, the DISTRICT desires to retain the services of EMPLOYEE as Interim Fire Chief for the North Lyon County Fire Protection District;

WHEREAS, EMPLOYEE is an individual who has the education, training, and experience in the field and position to which EMPLOYEE has been appointed;

WHEREAS, it is the desire of the DISTRICT to provide certain benefits, establish certain conditions of employment, and set working conditions of EMPLOYEE; and

WHEREAS, EMPLOYEE desires to be employed as Interim Fire Chief of the DISTRICT;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, the EMPLOYEE and DISTRICT agree as follows:

Section 1. Duties

The DISTRICT agrees to employ EMPLOYEE as the DISTRICT's ~~Interim~~ Fire Chief ("Position") to perform the functions and duties described in the Job Description, attached hereto and incorporated herein as Exhibit A.

- A. EMPLOYEE shall faithfully perform the duties prescribed in the Job Description, this Agreement, and as may be lawfully assigned by the DISTRICT, and shall comply with all lawful directives, state and federal law, DISTRICT policies, and ordinances as they exist or may hereafter be amended.
- B. EMPLOYEE shall perform all duties of the Position with reasonable care, diligence, skill, and expertise.
- C. All duties assigned to the EMPLOYEE shall be appropriate to and consistent with the professional role and responsibility of the EMPLOYEE.
- D. Nothing in this Agreement shall restrict the DISTRICT's right to assign and allocate responsibilities or job duties to EMPLOYEE or reclassify the Position. Nothing in this Agreement shall limit or restrict the DISTRICT's right to discipline EMPLOYEE or decrease EMPLOYEE's salary as provided in this Agreement.

Section 2. Base Salary

The DISTRICT agrees to pay EMPLOYEE for services described in Section 1 above, and other duties assigned, an annual base salary of \$150,000.00 per year beginning the first day of work following approval of this Agreement. EMPLOYEE's base salary shall be subject to the following provisions.

A. Each two (2) week period shall constitute a pay period. The pay period shall commence at midnight (12:00am) on Saturday and end fourteen (14) days later at 11:59pm on the second Friday. Payday is Friday, biweekly. If payday falls on a holiday, then the payday will occur on the day ~~preceeding~~preceeding the holiday. The basic work week shall commence each Monday at 12:00 a.m. and end on Sunday at 11:59 p.m.

A.B. ~~Upon allowable revenues and/or the annual review/renewal of this Contract, the DISTRICT may agree to negotiate a pay increase with the EMPLOYEE.~~

B.C. In special circumstances and with DISTRICT approval, EMPLOYEE may choose to reduce his/her base salary. Such reductions are voluntary and will only be considered if requested in writing. If approved by the DISTRICT, such a reduction is effective for the duration of this Agreement. If EMPLOYEE voluntarily accepts a reduction in pay, benefits, or hours worked, the DISTRICT may make non-monetary considerations for the benefit of such EMPLOYEE.

C.D. EMPLOYEE shall be compensated on an annual, salaried-hourly (Salary divided by 2080 hours) rate basis and shall not be entitled to worked holiday pay. The pay of EMPLOYEE is not subject to deductions an for absences of ~~less than one~~ (1) workday.

Commented [BB1]: I find this to be more clear language and definitely something I have not utilized. However, in the event of a need, this can be in lieu of any increased compensation.

Section 3. Other Pay and Benefits

In addition to the base salary and all-hazard incident management described in Section 5, EMPLOYEE shall receive the following benefits:

- A. The DISTRICT shall match dollar for dollar up to One Hundred Fifty Dollars (\$150.00) into EMPLOYEE'S deferred compensation program, annually. EMPLOYEE shall be eligible for those benefits provided under this plan.

A.1 EMPLOYEE shall be eligible for overtime when engaged in any billable incident in or out of the jurisdiction of North Lyon Fire.

A.2 A billable incident is defined as any incident accompanied by a resource order.

A.3 While EMPLOYEE is assigned to a billable incident with a resource order, EMPLOYEE shall be compensated portal to portal.

A.3 All hours in excess of eight (8) hours a day and forty (40) hours in a week shall be compensated at an overtime rate: Annual salary divided by 2080, multiplied by 1.5.

Commented [BB2]: This is to provide clear language so there is no confusion in the future of a "Salaried" position vs overtime.

- B. DISTRICT will pay One Hundred percent (100%) of EMPLOYEE's contribution to the Public Employment Retirement System for the State of Nevada, in Police/Fire.
- C. EMPLOYEE will have the retirement rights of employees as provided by NRS 286.
- D. DISTRICT will reimburse EMPLOYEE a maximum of One Hundred FIFTY DOLLARS (\$150.00) for eyeglass frames, Seventy-Five Dollars (\$75.00) for each watch, and the actual cost of prescription eye glass lenses, that is lost, damaged, or destroyed while performing job duties as certified by EMPLOYEE and approved by the DISTRICT.

- G. The DISTRICT shall not require the EMPLOYEE to reside within the DISTRICT boundaries.
- H. **Group Health, Dental, Life, and Long-Term Disability Insurance**
1. **ELIGIBILITY:** EMPLOYEE is eligible for group health (medical, dental, vision, pharmacy, and life) insurance and long-term disability insurance and may, on the first day of DISTRICT employment, be eligible to enroll in the DISTRICT's group insurance plan and long-term disability insurance plan, provided EMPLOYEE is not excluded from enrollment of the Group Health Plan Document.
 2. **Insurance Premium**
 - i. DISTRICT shall pay One Hundred percent (100%) of the premium for the EMPLOYEE-only coverage category and Eighty percent (80%) of the premium

Commented [BB3]: My residence is 40 miles from station 61. I would prefer to leave it as is.

attributable to dependent coverage for each dependent coverage category. The EMPLOYEE is solely liable for the payment of Twenty percent (20%) of the premium for dependent coverage via automatic payroll deduction. EMPLOYEE shall be provided term life insurance under a policy which offers coverage in an amount of forty thousand dollars (\$40,000) for the duration of this Agreement.

- ii. DISTRICT shall pay One Hundred percent (100%) of the total premium for the basic long-term disability plan offered by the DISTRICT. Additional premium for any "buy-up" to the plan shall be the EMPLOYEE's sole responsibility.
- iii. Employee may choose to provide their own medical, dental, and vision provider, so long as it does not exceed the cost of the District's chosen provider premium.
- iv. If EMPLOYEE opts out of the DISTRICT-offered group health, dental, life, and/or long-term disability plans and wishes to utilize an outside insurance provider, the DISTRICT will contribute to the outside plan an amount not to exceed the current premium cost for individual and/or dependent coverage plans.

3. Long-Term Disability Insurance Upon Separation from DISTRICT Service: If EMPLOYEE separates from DISTRICT service, he may be eligible to convert the long-term disability coverage through the insurance company. U. The DISTRICT agrees to pay the reasonable travel and subsistence expenses of EMPLOYEE for professional and official business travel and meetings adequate to continue professional development of EMPLOYEE and to adequately pursue necessary official functions and matters of interest to DISTRICT on a case-by-case basis. Requests for reimbursement will be brought before the Board for consideration.

V. The DISTRICT agrees to provide EMPLOYEE with a DISTRICT procurement card for expenses that are non-personal and are job-related for EMPLOYEE in the normal course of his duties. DISTRICT reserves the right to review any and all transactions EMPLOYEE makes using a DISTRICT procurement card and to demand reimbursement from EMPLOYEE for any transactions deemed personal and/or not job-related. The DISTRICT further reserves the right to discipline EMPLOYEE, up to and including termination for cause, for misuse of the DISTRICT procurement card. These remedies are not exclusive, and the DISTRICT may seek any other remedies available at law or in equity.

- B. During these 3-month reviews, the DISTRICT may establish specific performance criteria to assist with the next review of EMPLOYEE. The DISTRICT will meet and confer with the EMPLOYEE as part of the performance criteria setting process. Any specific performance criteria established by the DISTRICT shall be applied prospectively only and shall not be applied retroactively to evaluate the performance of the EMPLOYEE.

Section 6. Termination

For purposes of interpreting this Agreement, whenever the general term "terminate" or any of its derivative forms is used, such term shall generally mean separation from employment, whether or not cause is established. The use of the term "termination" is not intended to and does not create any legal requirement that termination be premised on a determination of cause or breach of this Agreement. The services of EMPLOYEE may be terminated by any of the following methods:

- A. **Mutual Agreement.** EMPLOYEE's employment in the service of the DISTRICT may be terminated by written mutual agreement executed by both parties.

- B. **Termination Without Cause.** This Agreement may be terminated for any legal reason whatsoever and/or for no reason at all, in the sole, absolute, and unreviewable discretion of the DISTRICT, upon written notice by the Board Chairperson to EMPLOYEE. The DISTRICT may terminate EMPLOYEE's employment without cause by providing Thirty (30) days' advance written notice to EMPLOYEE.  - 5. Such severance package shall constitute liquidated damages in lieu of any and all claims by EMPLOYEE against DISTRICT and all of its officials, directors, officers, employees, and agents arising out of this Agreement and shall be in full and complete satisfaction of any and all rights EMPLOYEE may enjoy hereunder. No portion of such severance package shall be payable until five (5) business days after EMPLOYEE delivers to DISTRICT a duly executed unconditional release of liability. EMPLOYEE is not entitled to any other remedies, contractual or otherwise, for termination without cause except as required by law.

- C. **Termination For Cause.** The DISTRICT may, upon Thirty (30) days' written notice to EMPLOYEE specifically identifying a deficiency in EMPLOYEE's performance and after reasonable opportunity for EMPLOYEE to cure the same, terminate this Agreement for cause. For the purposes of this Agreement, "cause" shall mean any of the following: EMPLOYEE's failure to perform the duties of the Position in a satisfactory manner; commission of fraud, misappropriation, embezzlement, any act of misappropriation or failure to account for public funds, or any act of moral turpitude or any act that would tend to diminish public confidence in the government of the DISTRICT should EMPLOYEE remain in the Position, or similar acts of dishonesty, including but not

limited to making false statements under oath, on any official report, during any administrative or governmental proceeding, on any employment application or during interviews leading to employment; conviction of any crime involving moral turpitude or violence; conviction of any felony; arrest, indictment, or other charge for a felony under circumstances indicating EMPLOYEE committed a felony without legal justification, regardless of whether EMPLOYEE is convicted of a felony; intentional misconduct that may subject DISTRICT to criminal or civil liability; breach of EMPLOYEE's duty of loyalty, including the disruption of opportunities properly belonging to DISTRICT; willful disregard of DISTRICT policies and procedures; breach of any of the material terms of this Agreement; and insubordination or deliberate refusal to follow the lawful instructions of the DISTRICT. Upon termination of this Agreement by DISTRICT under this subsection, EMPLOYEE shall be entitled to receive all salary and benefits due and owing under this Agreement as of the termination date.

- D. Early Termination by Employee. EMPLOYEE may terminate this Agreement upon Ninety (90) days' written notice to the DISTRICT. EMPLOYEE shall continue to perform all duties under this Agreement until the end of such Ninety (90) day period, provided, however, that the DISTRICT may, at its sole option, immediately terminate this Agreement upon written notice to EMPLOYEE, and in the event the DISTRICT elects to so terminate this Agreement, the DISTRICT shall continue to pay EMPLOYEE's Total Compensation through the end of the Ninety (90) day period. Thereafter, EMPLOYEE shall not be entitled to receive compensation or other benefits under this Agreement, provided, however, that EMPLOYEE shall be entitled to receive all rights and benefits vested under this Agreement as of the date of termination and may elect COBRA benefits if EMPLOYEE is eligible.
- F. Termination by Death. EMPLOYEE'S employment shall terminate automatically upon his death. The DISTRICT shall pay to EMPLOYEE's beneficiaries or estate, as appropriate and as permitted by applicable law, any compensation then due and owing, including but not limited to a lump sum payment for remaining advanced sick and annual leave; however, there shall be no entitlement to severance or non-renewal package benefits. Nothing in this section shall affect any entitlements of EMPLOYEE's heirs, beneficiaries, or estate to the benefits of any life insurance plan or other applicable benefits.

Section 7. Termination Obligations

- A. Duties of Employee. Upon termination for any reason, EMPLOYEE shall:
1. Leave the premises of the DISTRICT if requested by the Board of Directors;
 2. EMPLOYEE shall also cooperate with DISTRICT in any litigation or administrative action in which the DISTRICT or any of the DISTRICT's employees is a party that relates in any way to EMPLOYEE's acts, omissions, or knowledge while employed by the DISTRICT. If after termination EMPLOYEE's cooperation in defense of any such litigation or administrative action requires more than five (5) hours of time, EMPLOYEE shall be paid at an hourly rate of One Hundred Fifty dollars (\$150.00) for his time and all reasonable associated expenses.

Section 8. Agreement Non-Renewal

The DISTRICT shall give EMPLOYEE at least thirty (30) days' written notice if EMPLOYEE's Agreement will not be renewed. The DISTRICT, in its sole discretion, may place EMPLOYEE on administrative leave with pay until EMPLOYEE's Agreement ends. In the event EMPLOYEE's Agreement is not renewed, EMPLOYEE shall receive the following Non-Renewal Package:

EMPLOYEE shall not seek or accept any personal enrichment or profit derived from confidential information or misuse of public time.
- C. The DISTRICT shall support EMPLOYEE in keeping these commitments by refraining from any order, direction, or request that would require EMPLOYEE to violate these commitments. Specifically, neither the DISTRICT nor any individual member thereof shall request EMPLOYEE to endorse any candidate, make any financial contribution, sign or circulate any petition, or participate in any fundraising activity for individuals seeking or holding elected office in the DISTRICT government, nor to handle any matter of personnel on a basis other than fairness, impartiality, and merit.
- D. The provisions of this Section shall not be construed to limit EMPLOYEE's rights, in a private capacity, to vote for or against any candidate for DISTRICT office or any ballot question affecting the DISTRICT. Further, these provisions shall not be construed to limit EMPLOYEE's rights, in a private capacity, to make any financial contribution, sign or circulate any petition, or participate in any fundraising activity for individuals seeking or holding elected office in government other than the DISTRICT.

There are no representations, agreements, arrangements, or understandings, oral or written, relating to the subject matter of this Agreement that are not fully expressed in this Agreement.
- B. The provisions of this Agreement may be waived, changed, modified, or discharged only by a written amendment to this Agreement signed by the DISTRICT and EMPLOYEE.
- C. If any provision of this Agreement is held to be invalid or unenforceable by any judgment or decision of an administrative, arbitral, or judicial tribunal, court, or other body of competent jurisdiction, such provision shall be severed from this Agreement, the remainder of this Agreement shall not be affected by such judgment or decision, and the Agreement shall be carried out as nearly as possible according to its other provisions and intent.

STAFF REPORT

DATE: April 3, 2025
TO: North Lyon County Fire Protection District Board of Directors
FROM: Brian Bunn, Interim Fire Chief
SUBJECT: Recommendation to approve and accept the North Lyon Fire class specification and promotion of three (3) positions to Battalion Chief.
FOR POSSIBLE ACTION

SUMMARY

This item is to approve and accept the North Lyon Fire class specification and promotion of three (3) positions to Battalion Chief.

BACKGROUND

North Lyon Fire reorganized its operations effective June 2, 2024.

The reorganization included a shift officer, AKA acting Battalion Chief. All Captains rotated bi-weekly for the remainder of 2024. Effective January 2025, Captains are rotating quarterly (3 months). This provided an enhanced learning opportunity to establish consistent roles and responsibilities that include but are not limited to; Staffing, combat readiness, resource management, duty officer responsibilities, personnel management, effective incident command, consistency, approving EMS and fire reports, and establishing an appropriate chain of command.

The reorganization also included critical areas of responsibilities in EMS, Operations, and Safety & Training. These areas of responsibilities provided a single point of contact, established standard operating procedures, and consistency in the respective areas.

Establishing the permanent position of operational Battalion Chiefs is a critical step to a functional chain of command, resource management, and 24/7 duty officer coverage.

FISCAL IMPACT

North Lyon Fire is currently compensating (Incentivizing) the acting Battalion Chief two and one half (2.5) percent of base wage while in the acting position. North Lyon Fire is also compensating five (5) percent of base wage to employees assigned to EMS, Operations, and Safety & Training. In total, North Lyon Fire is compensating seven and one half (7.5) percent on a daily basis.

Upon establishment of permanent Battalion Chiefs, the responsibilities of EMS, Operations, and Safety & Training and incentives will be absorbed into the hourly rate of the Battalion Chief position. The total base expenditure to promote three Battalion Chiefs will be one thousand three hundred eighty six dollars and eighty-four cents (**\$1,386.84**) in base wages.

Using the new Public Employees' Retirement System (PERS) rate of 58.75% (Effective 7/1/25), there will be an additional PERS contribution of four thousand three hundred forty-five dollars and forty-three cents (\$4,345.43) annually per position or thirteen thousand thirty-six dollars and thirty cents (**\$13,036.30**) annually for all three positions.

Total increase of wages and retirement for three positions is fourteen thousand four hundred twenty-three dollars and fourteen cents (**\$14,423.14**) annually. The increased expense is within projected revenues for FY25/26 budget.

Example

Step 5 Captain base rate is \$31.75/hour at 2912 hours per year, which equals \$92,456.00 annually. \$92,456.00 plus 7.5% (\$6,934.20), current incentive for acting BC and area of responsibility, equals \$99,390.20 annually.

Step 1 Battalion Chief base rate is \$34.29/hour at 2912 hours per year which equals \$99,852.48 annually.

The difference in expenditure is \$462.28 annually, per position or \$1,386.84 annually for three positions.
